**Purpose of Inspection:**

Inspected the site while in the area.

**Directions to Site:**

See previous inspection report.

**Inspection Summary:**

The site is unchanged since my last inspection in 2004. The fire that went through the area this spring impacted the site. The road into the site is still washed out; I had to hike into the site from an area in Butcher Knife Canyon.

**Conclusions and Recommendations:**

I will continue to monitor the site when I am in the area.

**Inspector's Signature**
